LOUGHEED & COMPANY LLC

CERTIFIED PUBLIC ACCOUNTANTS

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Managing Director of Gemstone Securities, LLC Tampa, Florida

We have audited the accompanying statement of financial condition of Gemstone Securities, LLC as of December 31, 2007 and the related statement of operations and changes in member's equity and cash flows for the year then ended that are being filed pursuant to Rule 17a-5 of the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Gemstone Securities, LLC as of December 31, 2007 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III, and IV is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

GEMSTONE SECURITIES, LLC NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Gemstone Securities, LLC (the "Company") is a broker-dealer registered with the Securities and Exchange Commission (the "SEC") and a member of the Financial Industry Regulatory Authority. The Company is a Single Member Florida Limited Liability Company, incorporated on April 4, 2003. The Company provides investment banking services to middle market, private and public companies throughout the United States. The Company became a member of the National Association of Securities Dealers effective January 23, 2004.

The Company's principal business activities include the private placement of securities as well as financial advisory services.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents – The Company considers all highly liquid instruments with original maturities of three months or less to be cash equivalents for purposes of the statement of cash flows.

Accounts receivable – Accounts receivable are billed based on the terms of the individual contracts with the Company's customers. An account is considered past due if not paid within 30 days of the invoice date. The allowance for doubtful accounts is estimated on a specific identification basis considering the financial condition of the customer and other specific facts and circumstances. Accounts receivable are written off when they are determined to be uncollectible.

Securities owned - Securities owned are comprised of the financial instruments held by the Company. These instruments are recorded at fair value with unrealized gains and losses reflected in current period earnings. Fair values are generally based on prices from independent sources, such as listed market prices or broker or dealer price quotations. For investments in illiquid and privately held securities that do not have readily determinable fair values through quoted market prices, the determination of fair value is based upon consideration of available information, including types of securities, current financial information, restrictions on dispositions, market values of underlying securities and quotations for similar instruments.

Furniture and equipment – Furniture and equipment are recorded at cost. Replacements, maintenance and repairs, which do not improve or extend the life of the respective assets, are expensed as incurred.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 7 years.

GEMSTONE SECURITIES, LLC NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue recognition – Investment banking revenues are recorded when earned, generally at the time the transaction is completed and the related income is reasonably determinable. Investment banking revenues represent financial advisory fees, net of reimbursable expenses earned in connection with merger and acquisition and private placement transactions. The Company collects non-accountable reimbursement fees to offset the expenses related to due-diligence costs. These fees are recorded as deferred revenue and reduced as due-diligence expenses are incurred.

Income taxes – The Company is a single member limited liability company which is disregarded for income tax purposes. All income or loss is allocated to the Member. Consequently, no provision for income taxes has been included in these financial statements, as income taxes are a liability of the Member rather than of the Company.

Fair value of financial instruments – The estimated fair value of cash and cash equivalents, accounts receivables, accounts payable and accrued expenses at December 31, 2007 approximate their respective carrying values in light of the current nature of these financial instruments.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues and expenses for the periods then ended. These estimates are based on management's knowledge and experience. Actual results could differ from these estimates.

NOTE 3 – FURNITURE AND EQUIPMENT

Furniture and equipment consisted of the following at December 31, 2007:

Office equipment	\$	3,696
Furniture		1,389
Computer software		699
•		5,784
Less: accumulated depreciation	(2,333)
•	<u>\$</u>	<u>3,451</u>

GEMSTONE SECURITIES, LLC NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 - RELATED PARTY TRANSACTIONS

The Company shares office space with an affiliated entity. The costs of the monthly rent due to a third party lessor and general occupancy costs are split equally with the affiliate. Noncancelable lease payments applicable to the Company under this lease are estimated as follows:

Year Ending December 31,	
2008	19,291
2009	8,136
	<u>\$ 27,427</u>

The Company incurred approximately \$55,300 in commission expense and \$14,700 in direct expenses to Gemstone Equity Advisors, LLC, a related party, as payment for due diligence work performed during 2007 on behalf of the Company.

NOTE 6 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2007, the Company had net capital of \$52,700, which was \$47,700 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was .93 to 1 at December 31, 2007.

LOUGHEED & COMPANY LLC

CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING

To the Managing Director of Gemstone Securities, LLC Tampa, Florida

In planning and performing our audit of the financial statements of Gemstone Securities, LLC (the "Company"), for the year ended December 31, 2007, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g), in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

- 1. Making the quarterly securities examinations, counts, verifications, and comparisons
- 2. Recordation of differences required by Rule 17a-13
- 3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining an internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Page 2

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2007, to meet the SEC's objectives.

This report is intended solely for the information and use of the Member, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) of the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
